Adoption Agreement for Horses

LCAR is very committed to the rescue horses and our goal is to match the horse to the right home. We are not a sales barn or an auction yard. We want to offer a permanent caring home to those animals that have been so badly mistreated.

There is an adoption fee with each horse, starting at \$100 and up depending on the horse itself.

I _____ am applying to adopt _____

and am fully aware he/she is a rescued horse. Because of the circumstances involving this horse the following rules apply.

_____ I understand the adoption is a voluntary agreement and I undertake the responsibilities without expectation of gain.

_____ I agree to give the horse proper care, feed, shelter, and any medical attention needed.

_____ If a mare, I agree she can not be bred. If this rule is broken the mare and foal will be reclaimed by LCAR.

_____ I understand this horse can not be sold. If I no longer want him/her I will return the horse to LCAR.

I have read the provisions of this document carefully and agree to abide by all the conditions set forth above.
